Security Seals

SentryLock is a multipurpose, pull tight seal designed to provide security applications and reduce losses in a variety of industries. It is an upgraded version of PackLock, designed to have higher breaking strength and at the same time more user friendly with its new side tear-off design.

APPLICATIONS

- Cash Bags
- Courier Bags
- Security containers
- Roll cage pallets/ bonded cage doors

FEATURES

- A secure acetal locking mechanism
- 28mm x 50mm tag size.
- With side tear off option, requires no tool for removal
- Variable loop design, available in different strap lengths

BENEFITS

- Enhanced security, thus reducing losses
- Large tag surface for printing
- Easy removal without the need for cutting tool,
- improving health & safety compliance
- Suitable for sealing a range of bag and container sizes
